I'd like to apply for

☐ **Incubator**
An intensive training programme designed for people in communities, wanting to develop their leadership knowledge, skills and confidence

☐ **Cultivator**
A peer network of existing and experienced leaders designed to extend your skills and confidence in growing other leaders

I little about your involvement, community, and what you are doing, and dreaming...

Why would you like to be involved in the LinC Project Incubator/Cultivator?

What community/ies are you involved with and what role do you have in them?

Are you involved in any organisations that work with communities and what is your role? (e.g. Govt, NGO, philanthropic)

What things/projects/initiatives have you been involved with organising and leading over the last 3 years?

What future ideas do you have for your community?

Is there anything else you would like to add to this application?
